Why you should attend

Do you suffer from public-speaking anxiety? Do you want your public speaking to be more interesting and more compelling? In this one-hour presentation, Professor Suzanne Rabe will share some suggestions for improving public-speaking skills. The focus will be on speaking outside of the courtroom – to legislative bodies, to business executives, to civic groups, to neighborhood associations, and even to the media. Professor Rabe will provide advice on how to face your fears while engaging your audience.
